

# **ASBMB Research Coordination Network Workshop**

## **Developing and Sharing Best Practices: From Concept to Classroom**

Marymount Manhattan College  
Saturday, March 5, 2016

*Pre-registration is required for this workshop. Completing the optional pre-workshop assignments will ensure that you receive the maximum benefits from attending this event.*

- 9:00 - 9:30AM**      **Arrival and check-in**  
*A full breakfast and coffee will be provided starting at 8:30 AM.*
- 9:30 - 10:00AM**      **Introduction and overview of the day's activities**  
Ann Aguanno, Marymount Manhattan College
- 10:00AM–12:00PM**      **Workshop I (with a break)**  
Participants will select a BMB learning goal and learning objective and work in groups to design a short, student-centered classroom activity to teach that goal. Groups will then report out.
- 12:00 - 12:45 PM**      **Lunch (provided)**
- 12:45 – 1:45 PM**      **Workshop II**  
Participants will refine their outline for a complementary assessment for their classroom activity.
- 1:45 – 2:45 PM**      **Workshop III**  
Participants will report out their classroom strategies and assessments to the group: questions to and from the groups
- 2:45 – 3:15 PM**      **Break**  
*Light refreshments will be provided.*
- 3:15 – 4:45 PM**      **Workshop IV**  
Participants will refine their activities and assessment outline.
- 4:45 – 5:30 PM**      **Workshop V**  
Participants will report new ideas to the group for discussion. They then will refine their work and will electronically submit it to the ASBMB for later use in the project.
- 5:30-6:00 PM**      **Wrap up and final discussion**
