

Apply for the Marion B. Sewer Distinguished Scholarship for Undergraduates

Marion Sewer, an accomplished pharmacology professor, was deeply committed to service within the scientific community. The Marion B. Sewer Distinguished Scholarship for Undergraduates offers tuition funding to students who demonstrate an interest in the fields of biochemistry and molecular biology and who enhance the diversity of science.

Scholarship benefits:

- \$2,000 toward tuition for one academic year.
- Eligibility to apply for an additional scholarship in subsequent years.

Scholarship requirements:

To be considered, you must:

- Be a U.S. citizen, U.S. national or permanent resident. Students with DACA status also are eligible. Foreign nationals who are in the U.S. on visas are not eligible.
- Be enrolled as a full-time student at an accredited two- or four-year institution located in the U.S. or U.S. territories.
- Have completed a minimum of 60 credit hours (or equivalent).
- Have a GPA of 3.0 or higher on a 4.0-point scale.
- Have faced significant educational, social, cultural or economic barriers in pursuit of education.
- Be committed to diversity on campus and in the scientific community as a whole.
- Be an ASBMB member (membership can be processed at the time of application).

Important dates:

- Application opens: Spring 2018
- Application deadline: June 1, 2018
