

## ASBMB Undergraduate Research Award Report Form

1. Please complete the form and email it to [education@asbmb.org](mailto:education@asbmb.org).

Name of student: \_\_\_\_\_

Associated Student Chapter: \_\_\_\_\_

Name of research adviser: \_\_\_\_\_

### **Part I**

Describe your initial hypothesis:

Describe your methods:

Please provide a summary of your results. Please attach any relevant graphs, tables, or charts in a separate document.

What are your conclusions?

Please provide an itemized list of how the award money was spent:

**Part II**

Please write a 200-300 word summary that describes the overall project and what was learned from the experience, along with goals for future or continued work on this project. The summary is a reflection of the experience and does not need to include data.

Does ASBMB have permission to publish your summary?

Yes, please publish my summary

No, do not publish my summary

In addition, we encourage award recipients to:

1. Submit pictures with appropriate photo releases (see photo policy) of yourself working on your project.
2. We strongly encourage all Undergraduate Research awardees to present their research at the ASBMB annual meeting or at a regional ASBMB research symposium.

## **Photo Policy**

The American Society for Biochemistry and Molecular Biology encourages chapters to submit photos of chapter activities, including chapter and regional meetings and outreach events, among others. The society uses these photos on its website, in print materials and on social media accounts to promote the ASBMB Student Chapters program. However, the ASBMB requires chapters to adhere to the following guidelines when submitting photos.

1. Consent to use the photo must be obtained in writing from the photographer. Chapters may use the photography consent form on page two or ask the photographer to give consent through email. The written consent (form or email) must accompany the photograph when submitting to the ASBMB.
2. The ASBMB strongly prefers that chapters receive written consent from all people in the photograph as well.
3. Chapters wishing to submit photos of students under the age of 18 must submit to the ASBMB a photography consent form (page two) signed by a parent or guardian for each minor pictured in the photo.
4. Chapters also must follow their institutions' guidelines regarding photography submissions when submitting pictures to the ASBMB.

## Photography Consent Form

I hereby grant full permission to the American Society of Biochemistry and Molecular Biology to use my photograph and/or name in any publication or advertising materials (printed or electronic). This consent also serves to waive all rights of privacy or compensation which I may have in connection with the use of my photograph.
