

ASBMB Undergraduate Research Award Report Form

1. Please complete the form and email it to education@asbmb.org.

Name of student: _____

Associated Student Chapter: _____

Name of research adviser: _____

Part I

a) Please write a 200-300 word summary that describes the overall project and what was learned from the experience, along with goals for future or continued work on this project. The summary should not include data and should be able to explain your research to someone unfamiliar with the science.

b) What was the best part of your summer research experience?

c) Will you be showcasing your research at a meeting? If so, which meeting?

d) What are your career goals for the future? If you do not know yet, what are some areas you are interested in exploring?

Does ASBMB have permission to publish your responses from questions a, b and d in Part I in ASBMB Today?

☐ Yes, please publish my responses

☐ No, do not publish my responses

Would you be willing to provide ASBMB with a testimonial for this award?

☐ Yes, please contact me for a testimonial

☐ No, do not contact me for a testimonial

Part II

Please provide an itemized list of how the award money was spent.

In addition, we encourage award recipients to:

1. Submit pictures and videos with appropriate photo releases (see photo policy) of yourself working on your project.
2. We strongly encourage all Undergraduate Research awardees to present their research at the ASBMB annual meeting or at a regional ASBMB research symposium.

Photo Policy

The American Society for Biochemistry and Molecular Biology encourages chapters to submit photos of chapter activities, including chapter and regional meetings and outreach events, among others. The society uses these photos on its website, in print materials and on social media accounts to promote the ASBMB Student Chapters program. However, the ASBMB requires chapters to adhere to the following guidelines when submitting photos.

1. Consent to use the photo must be obtained in writing from the photographer. Chapters may use the photography consent form on page two or ask the photographer to give consent through email. The written consent (form or email) must accompany the photograph when submitting to the ASBMB.
2. The ASBMB strongly prefers that chapters receive written consent from all people in the photograph as well.
3. Chapters wishing to submit photos of students under the age of 18 must submit to the ASBMB a photography consent form (page two) signed by a parent or guardian for each minor pictured in the photo.
4. Chapters also must follow their institutions' guidelines regarding photography submissions when submitting pictures to the ASBMB.

Photography Consent Form

I hereby grant full permission to the American Society of Biochemistry and Molecular Biology to use my photograph and/or name in any publication or advertising materials (printed or electronic). This consent also serves to waive all rights of privacy or compensation which I may have in connection with the use of my photograph.
